Library of the Court of Justice

of the European Union

CLASSIFICATION SCHEME
The Library's classification scheme allows a very precise subject search. It is available in two identical language versions, English and French, and consists of the following parts.

000.0 general theory of law
000.1 yearbooks, directories and guides
000.3 economics
000.4 politics
000.7 other non-legal areas ("general works")
000.8 specialised non-legal dictionaries and encyclopaedias
001. international law
002. comparative law
003. - 999. national legal systems
AAA. – CCC. European integration –
               European Union (including European Communities)

The systematic codes relating to national laws consist of a prefix of three figures identifying the country (between 003. and 999.) and of a suffix which enables details of the contents and formal aspects of the work to be given.
